Philip A. Connelly Background

Born in Framingham, Massachusetts in June
Philip A. Connelly became a leader in his cho
profession-Food Service Management.

He worked diligently and earnestly throughou
life to promote professionalism in food servic
both the civilian industry and military service
a result of his dedicated purpose and positive
influence, civilian and military food service p
are more closely aligned and personnel in th
programs now have uniform goals in
education training, career development and
opportunities.

Department of the Army Philip A. Connelly Awards Program

Philip A. Connelly Awards Program

AAR Comments

Ensure all unit POCs have access to the correct checklist and evaluator's handbook.

- Recommend providing some background information on Reserve/ARNG during the 2 day training. i.e: major differences from active duty, pay procedures to expect during competition, sample paperwork.
- Recommend using/adding the required forms document
- Emphasis on who should be taking the lead for the evaluation. The FOS.
- More emphasis on LOI.

AAR Comments

- More emphasis on tailoring Field SOP to that actual mission. Too generic.
- Consider menu feasibility to all regions. i.e: Better acceptability in cold region (RI) but contrary to hot region (PR).
- Recommend corn starch based gravy vs flour.
- Availability of change fund for headcount.
- Availability of extra/back up equipment.
- More emphasis on unit Recognition Program.
- Proper use of camouflage.
